## PROJECT EXPERIENCE

### Legacy Events Website Development

*February 2025 – May 2025*

- Engineered a dynamic events website using HTML, CSS, and JavaScript, featuring event booking, feedback forms, and resource sections
- Developed a comprehensive "About Us" page with integrated links to booking information and detailed service offerings
- Led collaborative team meetings to strategize and execute a successful project plan, ensuring alignment with project goals

### IT Consultant, Rock Solid Industrial Parts Inc.

*August 2024 – December 2024*

- Spearheaded the digital transformation initiative for Rock Solid Industrial Parts, encompassing the Sales, Warehouse, Finance & Accounting, IT, and Human Resources departments, to support a 3-year strategic revenue growth plan
- Developed and executed strategies for data management, infrastructure upgrades, and security enhancements, addressing potential risks such as skill gaps, change resistance, and security breaches, to safeguard company data and ensure business continuity

### Project Manager, Downtown Campbell Neighborhood Association (DCNA)

*February 2024 – May 2024*

- Rebuilt the DCNA website to feature events page allowing RSVP's, donation page with redirection to PayPal, and multiple forms of information for users
- Conducted meetings between the client and team to outline and implement a strategic plan to guarantee success in connecting 2,500 residents and 175 Google group members
- Provided administration access with ability to track donations, monitor user engagement, and process documentation for website maintenance post-contract

## WORK EXPERIENCE

### Swim Instructor, Flying Fish Swim School

*July 2023 – Present*

- Established positive working relationships with clients and adjusted teaching style to meet their needs
- Provided detailed and thorough training to new staff to ensure high levels of client satisfaction and retention
- Offered consultations to clients aimed at effectively communicating goals and fostering stronger relationships

### Bank Teller, Wells Fargo

*August 2021 – April 2023*

- Collaborating with a team of 5 bankers on a daily basis to further the experience of high-value clients
- Perform with consistent accuracy 10 unique banking services to an average of 200 clients per day
- Boost client satisfaction and retention by 120%, resulting in increased positive reviews and recognition
- Assist clients with various questions and concerns related to their accounts and bank products
